5. **Are you requesting funds to repair or replace damaged and/or deteriorated flooring and/or repair damaged wall services in areas where food is prepared, stored, served, or areas where kitchenware is washed and stored?** Check one:
 No Yes

If yes, is replacement/repair covered under the building lease?

- Yes No²

If the repair is not covered under the building lease, what are you replacing, the cost and how will it benefit older adults?

6. **Are you requesting funds for energy efficient light fixtures in the kitchen or congregate meal service areas?** No Yes

If yes, what are you replacing, the cost and how will it benefit older adults?

7. **Are you requesting funds for technological or data system infrastructure for monitoring client health outcomes?** Examples include computing devices, workstations, servers, laptops, personal digital assistants, notebook computers, tablets, and software programs for data entry and/or monitoring of client data and health outcomes. No Yes

If yes, what are you wanting to purchase, the cost and how will it benefit older adults?

8. What is the total amount of funds you are requesting?

¹ Successful applicant will be required to provide a list of existing fleet vehicles and the reason the existing fleet cannot meet ongoing program needs.

² Verification will be required from landlord for successful applicants.

By signing, I have the authority to submit the application and if successful, will provide additional information if requested to include a detailed justification, quotes, etc. to VCAA staff.
