FARM VOLUNTEERS NEEDED!

COUNTY of VENTURA
Area Agency on Aging

The County of Ventura's Senior Nutrition Farm provides organic, local produce to the Senior Nutrition Program. The 2.5-acre farm sends out roughly 28,000 pounds and 185,000 servings of fruits and vegetables each year to local senior centers and home-delivered meals for homebound older adults. The farm succeeds through the commitment of its volunteers, who range in age from 16 to 86.

Monday through Friday, 8 a.m. to 12 p.m.
4156 Southbank Road in Oxnard (next to the Food Share building)
